Questions & Answers on FUNraising with Dave & Buster's

Q: I've never been to Dave & Buster's, what is it?

A: Dave & Buster's is a restaurant and entertainment facility that offers fantastic food, state of the art arcade games, and regulation billiard tables. It's a family-friendly environment with 60 locations, and growing nationwide.

Q: What am I selling?

A: Power Cards are rechargeable cards that activate all the games and simulators at Dave & Buster's. The cards NEVER expire and can be used at any Dave & Buster's nationwide.

Q: Are the Power Cards for Food & Beverages?

A: No, Power Cards are only good for the arcade games at Dave & Busters. These cards NEVER expire and they will be charged up with the full value of the purchase. Additionally, the customary \$2 activation fee for all cards has been waived for FUNraising! These cards make great gifts for kids, graduates, and even grown-ups who like to have fun!

Q: What do we need to do?

A: Complete the sign up form with your child's name, the due date (Monday, Dec 19th) and a GOAL. Kids will work better when a goal is suggested. 15-20 cards is a good goal. *Are you a SUPER Power Card seller? Additional order forms are available in Ms. Bruno's Office.

Q: Can my family & friends purchase our FUNraiser Power Cards online?

A: Yes! In addition to selling Power Cards to your friends & family here in New York City, your friends & family in other states can also purchase them online at www.tagscholarspta.org. TAG will get 50% of those sales and your TAG student will also get credit for any PowerCards ordered online – to help them become the TOP seller!

Q: When do we get the cards to distribute?

A: Sign up forms and payments are due to Ms. Bruno's office or your classroom teacher by December 19th. Power Cards will be distributed to students on Wednesday, Dec 21st. Students will receive their PowerCards in small envelopes indicating which cards are \$10 and which cards are \$20 for you to distribute to your family & friends.

Please don't hesitate to contact the fundraising chairs at fundraising@tagscholarspta.org for more information.
