March 11, 2020

Dear Neighbors and Friends,

We write to ask you to donate goods or services to the Silent Auction of TAG, the Talented and Gifted School for Young Scholars. The Gala and Silent Auction event is taking place on May 2, 2020 at the Alhambra Crystal Room.

Situated at the heart of El Barrio in East Harlem, TAG is a public school serving gifted students in grades K-8. The second highest rated school in the state of New York, TAG proudly serves the most ethnically and economically diverse student population of NYC's five city-wide gifted and talented schools. All our students, nearly half who qualify for free lunch, receive a world-class, rigorous, and innovative education.

Our dedicated school and parent body strives to give our students rich and meaningful in-class and extracurricular opportunities. TAG scholars have been champions in chess, debate, math, and spelling competitions. The support of our communities in all five boroughs is essential to nurturing the culture of excellence at TAG.

Please consider joining other local merchants and organizations in donating to our school's annual auction. Every gift directly improves our students' education, notably:

- Physical education and recess support for all grades
- A cutting-edge science and technology (STEM) curriculum
- Chess team, debate club, and math club
- Assistant Teachers in lower grades
- Music program in lower grades
- Art program in the upper grades

Your business will be enthusiastically promoted by the PTA and parents of TAG. We will prominently feature your organization in our auction materials.

The children, parents, and staff of TAG thank you in advance for your generous support!

Sincerely,

Steven Leshnower and Dan Rubenstein (TAG PTA, Co-VPs of Fundraising) [fundraising@tagscholarspta.org](mailto:fundraising@tagscholarspta.org)
